The staff at Rutgers University Golf Course would like to welcome all faculty and staff back for the upcoming academic year. We have compiled an information sheet to acquaint you with the golf course policies as they relate to you. Please note that this information is applicable to full-time faculty and staff at all three campuses.

If you have any questions regarding any of the following info, please feel free to email us at ljensen@aps.rutgers.edu or phone the pro shop at 732-445-2637.

**Tee Time Reservations and Cancellations**

**Tee Time Reservations**

There are two ways to make a reservation at RU Golf Course.

1. The preferred method is to utilize the free 24/7 online reservation system at: [http://golfcourse.rutgers.edu](http://golfcourse.rutgers.edu)
2. Call the pro shop at 732-445-2637. *If you choose to use this method, you will be charged a $5 reservation fee, which is payable when you check in for your tee time. In addition, if you make a same day reservation, you will have to pay for the green fees you are booking for and the $5.*

**Arrival Time**

RU Golf Course tee times run on time. All players should arrive no later than 20 minutes prior to their tee time to check in and pay. *Late arrival may mean that you lose your tee time.*

**Tee Time Cancellations**

Cancellations must be made 24 hours prior to your tee time. Failure to do so may result in a charge to your credit card for revenue lost. Cancellations may be made by calling the pro shop during normal business hours at 732-445-2637 or by utilizing your profile on via the internet reservation system.

**8 Day Advanced Tee Time Booking**

Offered on a yearly basis, the 8th-day Advance Tee Time Booking allows you to book a tee time 8 days in advance of the day of play. Having an 8-day privilege gives the holder 3 days over the general public to make a tee time (there are no additional benefits). The cost for this as a faculty/staff member for the 2012 calendar year is $75.

**Golf Club Rentals**

Scarlet Links Golf Shop has a limited amount of both right and left-handed club rentals available for men and women. Golf clubs are rented on a first come, first served basis if they are not reserved in advance. If you have made a reservation and are in need of a rental set of golf clubs, please call the pro shop to reserve a set.

18 hole club rentals are $20, and 9 hole club rentals are $10. Players must sign a rental form and leave a form of I.D. with the pro shop when renting equipment.

To ensure that we receive our equipment before closing, the last 18 hole set of clubs is rented 4 ½ hours prior to sunset and the last 9 hole sets are rented 2 ¼ hours prior to sunset.

**Pace of Play**

For the enjoyment of all players, pace of play is a priority at RUGC. The USGA and the New Jersey State Golf Association have rated our course playable in a pace of 4 hours. We ask that each group keep his or her position behind the group in front of them.

The management of Rutgers University Golf Course is responsible for managing the pace of play at the golf course. Pace of play is enforced in the following manner:

1) Any group that falls out of position will receive a cautionary notification by a course ranger if they are out of position.
2) If there is no improvement in their position, the group will be notified again that they are still out of position and if their pace does not improve, they will be moved into position.
3) If the group does not make improvements they will be moved into position by a ranger or manager.
Practice and Teaching Facility

The golf course has a 36 bay driving range along with an 11,000 square foot short game area that is used by the RU Men’s and Women’s Golf Teams and is also open to the public. The driving range has Fiber built mats and we are transitioning into full flight golf balls.

The fee schedule for the practice facility is as follows:

Range tokens

Each token is $5

- Small  36 balls
- Medium  80 golf balls
- Large  125 golf balls

You can also purchase 5 tokens and get 1 free for $25. These do not have to all be used at once.

Practice green

The short game area is $10 for 90 minutes of practice, and you receive a token with the fee. If you are playing you may utilize that facility to warm up or cool down.

Driving Range Hours of Operation

The range is open 7 days a week. Below is the daily schedule of range openings, closings and scheduled maintenance. On occasion, we may have to adjust opening or closing as conditions warrant.
