- Automated phone service 732-445-3393
- Online service <http://golfcourse.rutgers.edu>
- A credit card is required for all tee time reservations. Green fee payment is required when checking in for your tee time.
- **Golfers are required to check in with the pro shop no later than 15 minutes prior to their tee time. Failure to do so may result in loss of tee time reservation.**

### **Student Hour on Fridays**

During the spring and fall semesters, RUGC holds three to four tee times between 3 pm and 4 pm for RU students. To reserve one these tee times, you should call the pro shop at 732-445-2637. Please note that if no one has reserved these times, we will release them

by the close of business on the Wednesday of that week. This is on a first come, first served basis, so plan ahead!

### Pace of Play

For the enjoyment of the game for all players, pace of play is a priority at Rutgers University Golf Course. The USGA and the New Jersey State Golf Association have rated RUGC to be played in a pace of 4 hours for 18 holes. With that in mind, we ask that each group keeps their position behind the group in front of them. It is managements' responsibility to monitor the pace of play on the golf course. Any group that falls out of position will receive a verbal warning and the amount of time out of position regarding their pace, and if there is no improvement in their position, they will be moved back into position.
